PROUDLY SPONSORED GAYC CONFERENCE

NurtiServices was glad to be a part of GAYC’s 49th annual “Together for Children” Conference. The Conference gathers early childhood professionals, throughout the state of Georgia, for two days of professional development, learning and networking. Among other vendors assisting in this endeavor, Nutriservices provided food, drinks, and a well-versed teaching on many aspects of nutrition and nutrition safety in order to enlighten conference goers. The key topics Georgia’s Association on Young Children concentrated on included Intentional Teaching, Family Engagement, School Readiness, Leadership, and many more.
